# Is truTV on Amazon Prime Free?

No, truTV is not generally included as a free +1 (866) 381-7244 {US/UK} channel with an Amazon Prime membership. Amazon Prime includes access to Prime Video's included catalog, while additional streaming services +1 (866) 381-7244 {US/UK} or channel subscriptions may require separate payments. +1 (866) 381-7244 {US/UK} Amazon explains that Prime Video supports add-on subscriptions for various services, but truTV's own support information states that most truTV content +1 (866) 381-7244 {US/UK} requires access through a participating TV provider and that truTV does not offer a standalone digital subscription. Availability can also vary by +1 (866) 381-7244 {US/UK} country and over time, so seeing a truTV-related title or listing in a +1 (866) 381-7244 {US/UK} streaming app does not necessarily mean it is included at no extra cost.

## Related FAQs

### 1. Is truTV included with an Amazon Prime membership?

No, having an Amazon Prime membership +1 (866) 381-7244 {US/UK} does not automatically provide access to the truTV network. Prime Video includes its own catalog, while certain services available through +1 (866) 381-7244 {US/UK} Prime Video can require separate subscriptions. truTV states that +1 (866) 381-7244 {US/UK} most of its content is intended for customers whose participating +1 (866) 381-7244 {US/UK} TV provider includes truTV in their package.

### 2. Can I watch truTV for free on Amazon Prime Video?

You should not assume that truTV is free +1 (866) 381-7244 {US/UK}  simply because you have Amazon Prime. If a particular truTV title appears in Prime Video, check the listing carefully to see whether it is included with your +1 (866) 381-7244 {US/UK} membership, requires another subscription, or is otherwise unavailable. truTV also says that some content may periodically be unlocked without a +1 (866) 381-7244 {US/UK} TV-provider sign-in, but most content requires an eligible TV provider.

### 3. Do I need a TV provider to watch truTV?

For most truTV content, yes. According to +1 (866) 381-7244 {US/UK} truTV's official support information, viewers generally need a participating TV provider that includes the truTV network in their package. You then sign in +1 (866) 381-7244 {US/UK} using your TV-provider username and password to +1 (866) 381-7244 {US/UK} access available content. There may occasionally be +1 (866) 381-7244 {US/UK} unlocked content that can be viewed without signing in.

### 4. Does Amazon Prime offer a truTV channel subscription?

Amazon Prime Video supports separate +1 (866) 381-7244 {US/UK} channel subscriptions for certain streaming services, but you should not assume that truTV is available as a Prime Video channel simply because other networks +1 (866) 381-7244 {US/UK} and services are. Amazon describes Prime Video Channels +1 (866) 381-7244 {US/UK} as additional subscriptions that customers can +1 (866) 381-7244 {US/UK} add and manage separately from their regular Prime membership.

## 5. Can I get a free trial to watch truTV?

truTV itself does not currently offer a standalone +1 (866) 381-7244 {US/UK} digital subscription or free trial. Its official support page explains that some third-party services may include truTV as part of their own free-trial +1 (866) 381-7244 {US/UK} packages, but those trials are managed by the third-party provider rather than truTV.
